That's incredible!
Doesn't that mean that you've been scouted?!
This means that you're a real idol now.
I knew you could do it, Ranka-san!
I've never heard of this "Vector Promotions" though

I want to decide how to live my own life!
If you won't let me do that...
You should just ignore what parents say
It's not like they'd understand anyway.
Nope
I didn't have to convince him.
It must have been tough to convince Ozma-taichou though, right?
...?

Please take care of my little sister
Huh...?
It's OK?
Really?
Men don't go back on their word.
Anyways, you're fifteen so you'll be an adult next year

I'll leave the rest of fine tuning to you then!
Sheryl
Good work.
You're really enthusiastic,
Is that the only reason?
Grace
Of course, this is the final concert on Frontier.

Wha-!!
it's just that I thought you were infatuated with that boy
Noth-ing.
.....
What?
My. Am I mistaken?
Whaaatt !!
What are you saying, Grace!?
Where did you get that notion from?
Grace ...
It's strange since I felt that was definitely the reason.

www.macrossworld.com

Ah...she's mad...
Because this is the first time...
that you've ever skipped out on work.
Got it! I got it!
First you disappeared just before a live broadcast only to be found in a shelter.
Then you caused trouble by sneaking into a school--
I won't do it anymore!
Gr...Grace?
Tony

Sorry.
I just received a message.
Yes... what?
Sheryl...
What... who is it from?
Galaxy has been ...!!
This definitely suits you!

How is it?
This is an outfit for you, Ranka-san.
No no...it should expose more.
Is there something wrong with Nanase-san's sketch!?
That's not it...she just needs to show more skin.
Nanase-san is right!
Ranka-san has no need to expose herself!
They sure are into it.
But I'm really happy to have support.
Just knowing that there are people who acknowledge me
lets me try harder.
